

Explore Top Oil & Gas Job Opportunities in UAE – Walk-In Interview by Galfar Engineering 2025

A purple and yellow graphic for Jobsparkes. The top left features the Jobsparkes logo. Below it, the text 'BEST JOBS AND CAREER OPPORTUNITIES ONLINE' is written in white. Further down, a smaller line of text says 'Join us! Exciting career opportunities available.' Below this is a bulleted list: '• Latest Job Vacancy', '• Hiring Now', '• Free Job Posting for Employers', and '• Easy Application Process'. At the bottom left of the graphic is a yellow button with the text 'APPLY NOW' and a mouse cursor icon. Below the button is the Jobsparkes logo and the website 'jobsparkes.com'. On the right side of the graphic, there are three overlapping diamond-shaped images: the top one shows a man in a suit presenting, the middle one shows a man working on a laptop, and the bottom one shows a man in a suit smiling.

Are you ready to kickstart or improve your career in the booming oil and gas industry of the UAE? **Jobsparkes** is here to keep you updated with the latest opportunities that can shape your future. One such golden opportunity is here – [Galfar Engineering & Contracting](#) is conducting a **walk-in interview** for various roles in 2025!

Why Choose Oil & Gas Jobs in the UAE?

The UAE remains a global hub for oil and gas projects, providing tremendous professional opportunities, high-paying professions, and international exposure. Companies like [Galfar Engineering & Contracting](#) are consistently hiring talented individuals to support large-scale operations and infrastructure.

Whether you're a seasoned professional or just starting out, the UAE's oil and gas sector has a wide range of opportunities waiting for you—from project engineers to safety officers, mechanical technicians, and beyond.

Positions Available

While the detailed job roles can be found in the listing, candidates can expect vacancies in categories such as:

- **Mechanical Engineers**
- **Pipeline Technicians**
- **HSE Officers**
- **Welders & Fabricators**
- **Project Coordinators**
- **Supervisors & Foremen**
- And many more!

This walk-in interview is an excellent chance to present yourself directly to recruiters, demonstrate your skills, and secure a job on the spot.

What to Bring to the Interview?

To make the most of the walk-in interview, ensure you bring:

- Updated CV/Resume
- Passport-size photographs
- Educational & Experience Certificates
- Valid Passport and Visa Copy (if available)
- Emirates ID (if any)

Dress professionally and come prepared to discuss your previous projects and experience in detail.
