BULL VENTURE CAPITAL

A Single Family Rental Property Loan is designed for real estate investors purchasing or refinancing a home intended for rental income. These loans typically offer flexible terms, competitive interest rates, and streamlined approvals based on property income rather than personal income.

bullventurecapital.com

Ideal for both new and seasoned investors, they support long-term investment strategies. Borrowers can finance single-family homes, townhomes, or condominiums held for rental purposes. This loan helps build passive income and grow a real estate portfolio efficiently.
