

Get 80G Certificate for CSR Funding – NGO Experts

Are you an NGO seeking **CSR funding** from corporates? Obtaining an **80G certificate** is a crucial step in ensuring your NGO is eligible for donations and financial support. At **NGO Experts**, we specialize in helping non-profit organizations secure their **80G certificate** seamlessly and quickly, enhancing their credibility and funding opportunities.

The [80G certificate](#), issued under the Income Tax Act of India, allows donors to claim tax deductions on the amount they donate to your organization. This not only motivates more individuals and corporations to contribute but also qualifies your NGO for **CSR (Corporate Social Responsibility) funding**, which is mandatory for eligible companies under Section 135 of the Companies Act

At **NGO Experts**, we provide end-to-end assistance for obtaining your 80G certificate with expert guidance and a hassle-free process.

Why Get Your 80G Certificate with NGO Experts?

-  **Enhance Eligibility for CSR Funding:** Most corporates require NGOs to have a valid 80G certificate before considering them for CSR partnerships and donations.
-  **Increase Donor Confidence:** An 80G certificate boosts your organization's transparency and encourages more donors to contribute, knowing their donations are tax-exempt.
-  **Expert Documentation & Filing Support:** NGO Experts ensures accurate documentation, timely submission, and compliance with all government norms to secure your certificate without delays.

Partner with **NGO Experts** today to get your **80G certificate** and unlock access to [CSR funding](#) and more donation opportunities. Let us help your NGO grow and impact lives more effectively.
