Costa Rica: The Ultimate Fishing Destination

Costa Rica is renowned as the ultimate fishing destination, offering both Pacific and Caribbean coastlines. With sport fishing available year-round, anglers are drawn by the country's rich marine biodiversity. Among the most sought-after game fish are Marlin (Blue, Black, and Striped), Sailfish, Mahi-Mahi (Dorado), Tuna, Roosterfish, and Snapper. The dry season (December to April) is ideal for catching Sailfish and Marlin, while the green season (May to November) brings excellent opportunities for Tuna and Roosterfish.
